

I'm friendly, easy-going and a bit cute.
And I want you!

That's right Doctor, I think you
and I would be great **together.**

Here's why...

- ♥ I'm Clifton, a cute country town in south-east Queensland
- ♥ I'm only a 2 hour drive from Brisbane, or 40 minutes from Toowoomba
- ♥ My people are great, in that friendly-country-down to earth kinda way
- ♥ I've got a rather splendid community-owned and modern medical practice that you'd love
- ♥ Plus we have our hospital and residential aged care facility right next door
- ♥ I'm smack bang in the middle of beautiful sunflower country
- ♥ And not far from Stanthorpe's wine region or heaps of national parks if that's your thing
